

The Fell Pony Heritage Trust.

Criteria for being on the **List of Hill-Breeders 2019/2020**

6 inside the National Park with full criteria.

1. They have grazing rights for (Fell) ponies on the common land.
2. They are an active grazer of Registered Fell Ponies in a breeding herd.
3. The number of breeding mares in a herd is 5 or over, hopefully with different bloodlines.
(separate data to show most hill herds are not breeding enough from rarer bloodlines)

The first 11 Breeding herds cover all 3 points for the Criteria.

Top group of breeders with over 10 plus mares.

1. Bybeck at Orton with 20 plus mares of breeding age running on Howgills. Foaling in-bye.
2. Greenholme at Shap with 25 mares of breeding age running on Birkbeck common. Foaling in-bye. Inside the National Park.
